Regarding: CASE NUMBER 2005-00445

Dear Sir:

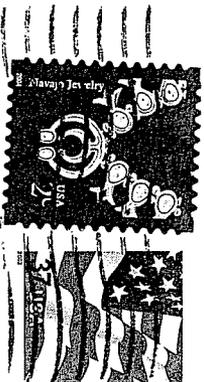

This is to let you know that we support the application of Cumberland Cellular Partnership to build a 260-foot tower to be located at 900 Ky Old Loop # 3, Monticello, Kentucky. 42633.

We are business people, and will soon open a business in this area and would like to have Good cellular service in this area. As of now, the service is very difficult to reach any emergency numbers from this area, to Monticello, Ky. Albany, Ky. Or to Somerset, Kentucky when using our cell phones in this area. This bad cell service creates a very Bad situation for us, especially should the call be to a doctor, or to a hospital to get Help for someone such as emergency service. Your consideration will be greatly appreciated.

Sincerely,
Marvin S. & Joyce R. Hicks
